- *Senior Capstone project creating a Pickleball brand, Mr. Pickleball*

DESIGN EXPERIENCE

Blender Inc., *Graphic Design Intern*, Pittsburgh, PA

June 2026 — August 2026

- Designed three social media series for two nonprofit clients and the agency itself, adapting each to Instagram square, 3:4, and story formats
- Filmed drone footage and edited an Instagram story video in After Effects
- Developed three style options for each concept, then refined the chosen direction based on mentor and client feedback
- Wrote post copy, built a client-spotlight template, and researched clients to create a posting schedule

Jacoby Design, *Freelance Graphic Designer*, Pittsburgh, PA

October 2025 — Present

- Designed the 25th anniversary logo for the Pittsburgh Sports League as a paid commission, presenting multiple mockups and revising based on client feedback
- Final logo was printed on shirts worn by league players on game nights
- Delivered final assets in digital and print formats
- Currently designing PSL merchandise

SKILLS

- **Software:** *Photoshop, Illustrator, InDesign, After Effects, Figma, Canva*
- **Design:** *Logo and brand design, social media graphics, layout, typography, templates, video editing*
